**SPECIAL MASTER'S ORDER RE (1) LEAD  
COUNSEL'S REQUEST FOR FURTHER  
BRIEFING; (2) HEARING FOR ORAL  
ARGUMENT; (3) OBJECTORS  
FINN/FORTMAN MOTION FOR  
PRODUCTION OF FEE AGREEMENTS**

20  
21 1. Request for Further Briefing. By letter dated December 13, 2015, Lead Counsel asks  
22 to be permitted to file a responsive brief to Objectors' Reply Briefs on the ground that Objectors  
23 raised new issues for the first time. As sure as night follows day, Class Counsel Scarpulla by  
24 letter dated December 14, 2015 requested leave to file a sur-Reply. The Special Master has  
25 reviewed the Reply Briefs, and they indeed raise for the first time a few issues and discuss issues  
26 previously mentioned far more thoroughly than they did in their original Objections. The  
27 Special Master is reluctant to extend the briefing period because it reduces the time he has to  
28

1 prepare his Report and Recommendation which is due January 15, 2016. However, he concludes  
2 that his Report will benefit from obtaining Lead Counsel's further views on certain issues.

3 Therefore, Lead Counsel's request is GRANTED. Lead Counsel shall file a further  
4 Response not exceeding 20 pages by **December 23, 2015** to the following issues: the release  
5 without compensation of class members in certain states (section II of the Cooper/Scarpulla  
6 brief); issues relating to the Chungwa settlement (section III of the Cooper/Scarpulla brief, and  
7 section B.2 of the St. John brief); alleged defects in notice (section IV in the Cooper/Scarpulla  
8 brief); the disproportionate size of the Samsung and Phillips settlements (section C of the St.  
9 John brief); and the failure to pursue claims of class members in Massachusetts and Missouri  
10 (section II.C of the Moore brief). The request to submit a sur-Reply is DENIED.

11 2. Oral Argument. A hearing is set for **Tuesday, January 5, 2016** at 10:00 AM at  
12 JAMS San Francisco for oral argument on the issues of approval of the settlement and award of  
13 attorneys' fees. Counsel may attend in person or by telephone. Lead Counsel shall provide a  
14 court reporter for that hearing.

15 3. Motion re Fee Agreements. Objectors Finn and Fortman move for an order requiring  
16 Lead Counsel to produce copies of all fee agreements of class counsel. The motion contends that  
17 the Court must scrutinize any fee agreements among class counsel, notes that none have been  
18 filed with the Court, and assumes without evidence that some such agreements must exist. The  
19 Special Master concludes that Objectors have not shown good cause for production to them of  
20 fee agreements, and accordingly DENIES the motion. However, the Special Master ORDERS  
21 that all fee agreements among class counsel relating to a division or treatment of fees to be  
22 awarded IPP Counsel be filed with the Special Master forthwith.
